Agility Class Descriptions

Junior Handlers Program: is open to all youths 17 years of age and under.

Regular Classes: These classes are open to all dogs, 18 months of age or older, as described within the current AAC rules.

Special Classes: These classes are open to all dogs. Handlers running dogs in Special classes will have the option to move into Regular classes once during the dog's career. Such a switch will require the handler to notify the AAC via the appropriate Regional Director, but will not require justification or approval. Any switch from Specials to Regular cannot be made mid-trial. Other than this one time move, a dog may no longer compete in the Regular class level once entered at an official trial in the Special class level; however, they are eligible for the Veteran class level.

Veteran Classes: These classes are for dogs seven years of age or older that are currently competing in any Standard Agility Class and for dogs five years of age or older who have competed in the Specials Agility Class for a minimum of 12 months.

Starters Standard Classes: These classes are open to all dogs that have not received three qualifying scores under two different judges in these classes or have not earned their ADC title.

Starters Games Classes: These classes are open to all dogs that have not received a qualifying score in that games class.

Starters Gamblers Class: This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible in the opening sequence and successfully complete the gamble.

Starters Snooker Class: This game demonstrates the handler and dog's versatility as they work together against the clock. The object of the game is to accumulate points by successfully completing as many obstacles as possible in the prescribed order within time.

Starters Jumpers Course: This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.

Please refer to AAC Rulebook for complete class rules and title requirements – available online at www.aac.ca
