Category Descriptions:

- Regular Category:** This category is open to all dogs, 18 months of age or older, as described within the current AAC rules.
- Specials Category:** This category is open to all dogs. Dogs jump one height lower than the Regular category. Once a dog has entered an official trial in the Specials category, they may no longer compete in the Regular category unless they make a special application using the form available on the AAC website. This move may only be done once during a dog's career.
- Veterans Category:** This category is for dogs seven years of age or older. This class is also open to dogs five years of age or older who have been competing in the Specials category for a minimum of twelve months immediately preceding the move to Veterans. Dogs jump one height lower than the Regular category.
- Double Drop Veterans Category:** This category is for handlers who opt to have their dogs jump **two** heights lower than the Regular Category (when a lower jump height is available).
- Junior Handler Category:** This category is for youths who are registered with the Junior Handler program and have been issued a Junior Handler ID number. Entries are made under the Junior Handler ID number, not the dog's ID number. Qualifying scores are recorded under the Junior Handler ID, and **do not** count towards titles for the dog.

Class Descriptions:

- Standard Class:** This class demonstrates proficiency on all agility obstacles in a numbered course.
- Gamblers Class:** This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the opening sequence and successfully complete the Gamble.
- Snooker Class:** This game demonstrates the handler and dog's versatility as they work together against the clock. The object of the game is to accumulate as many points by successfully completing as many obstacles as possible in the prescribed order within time.
- Jumpers Class:** This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.
- Steeplechase:** This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Level.
- Challenge Class:** This goal of this class is to test the handling skills and speed of the agility team. It is meant to reflect a similarity to world-level courses in difficulty and handling requirements. Only those eligible to compete in the Masters Standard class are eligible to enter Challenge.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.

Notice to Competitors:

Competitors, through submission of entry, acknowledge that they are knowledgeable of AAC Rules and Regulations, including but not limited to the following:

- This event is held under AAC rules and regulations and is open to all dogs at least 18 months of age, purebred or mixed breed, except bitches in season, aggressive dogs, or dogs suffering from any deformity or illness which may affect the dog's physical or mental performance (judges' discretion).
- All dogs must have an AAC number before their entries will be accepted in an AAC sanctioned trial, which must be produced at measure in. Dogs with numbers pending will not be eligible to compete. Any dog without a card, under two years of age, or without two official measurements on their ID card must be measured before competing. A dog over 23" at the withers can have a signed ID card before two years of age.
- Competitors whose dogs measure up may run For Exhibition Only (FEO) if the dog is not prepared to jump the higher heights. No qualifying scores or awards may be earned.
- **FEO Runs:** COKC accepts For Exhibition Only (FEO) runs. Dogs entering FEO runs must have a valid Dog ID Number and meet all other AAC eligibility criteria. An FEO dog is permitted to run at any jump height, in any class, at any performance level and in any category at the handler's discretion. A dog may not enter a class as FEO if it is also entered in the same class for qualification. In accordance with AAC rules, toys will be allowed in the ring during an FEO run. Toys may be of any general configuration, and must be in a good state of repair (no fur or stuffing coming loose). Handlers are permitted to interact with their dogs during a run by tugging with the toy. **Food, toys containing food, audible toys and audible training aids (e.g. clickers, whistles) are NOT permitted in the ring.** Please be considerate of the dogs competing on course before and after you as the toy may cause a distraction.
- Entry forms may be photocopied, but **MUST** include the entry form, agreement and signature in their entirety. A separate entry is to be submitted for each dog.
- Entries and payment must be received by the closing date and are payable in Canadian Funds.
- The host club reserves the right to refuse any entry for cause which they deem sufficient.
- By AAC rules, entries are not valid until full payment of entry fees has been made. Tendering of an NSF cheque in payment of entry fees shall be considered non-payment of entry. In addition, there will be a \$25.00 service charge for each returned cheque, regardless of whether the dog/handler compete in the event.
- After the closing date, refunds will only be given to competitors if a bitch comes into season or the dog or handler is injured sufficiently to prevent them from competing. The Trial Secretary must be informed prior to the trial date and a certificate from a veterinarian or doctor must be provided. All refunds made will be less any AAC or other administrative fees owing on the entry.
- All entries will be confirmed via email only where a valid address is supplied. If supplying an email address please ensure that it is valid and legible. If you don't have a valid email address and want your confirmation emailed, please ask a friend to receive it for you.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the club's discretion. Any dog and handler not present for their run when their name is called will be ineligible to run, unless prior arrangements are made with the gate steward.
- No leads, collars, food, toys or any other aids or devices shall be permitted on the course at any time. Toys and food shall not be permitted within 10 feet of the ring. Please be considerate of competitors and refrain from using clickers or squeaky toys while a dog is in the ring.
- All dogs must be penned, crated or leashed when not in the ring, and may not be tied to any obstacle, permanent or temporary anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or engage in unsafe or disruptive behaviour may be asked to leave the trial site. There will be no refunds for entries if an exhibitor is dismissed from competition for any reason.
- Bring your own lawn chair. You may leave your belongings at the show site – at your own risk.
