This premium is available online at the COKC Website:

<http://www.crocusdogs.com>

A map to the trial site is available on the Crocus website: www.crocusdogs.com

PLEASE NOTE: This trial will have a start time of 9 a.m. both days.

Check-in: Not required if we have a copy of your dog's height card on file.

Exception: If this is your first time at a COKC agility trial, please show your height card to the Trial Secretary.

Dog Measuring: There will be measuring available both mornings at 8:45 a.m. Please wear a mask for measuring.

Dogs over 2 years of age who previously received a temporary card need an official measurement recorded and signed on their own permanent ID card. Dogs over 2 with one official measurement recorded and signed by a judge on their permanent ID card do not need a second measurement. That requirement is stayed for all dogs until AAC COVID restrictions are lifted. If the judge is willing, and the club has allocated the necessary time, a dog may have a second or final measurement, but it is not required.

General & Judges' Briefing and First Dog on the Line: There will be a general briefing and judges' briefing with walk through at 9:00 am. First dog on the line immediately following.

Trial Site: Limited camping on site. Self-contained units only. First come, first served. Important Note: You are responsible for providing your own shade.

Benching/Crating: Outdoor crating in your vehicle is recommended. If you wish to use a shade tent, it should be set up on the berm between the two agility rings. No chairs or crates are permitted ringside. Please respect physical distancing when setting up and within your shade tent.

Veterinary Clinic On Call: Grand Valley Animal Clinic: 204-728-0033 (Please tell them you are at a COKC event if an emergency happens)

No Food Available on Site Please bring your own food and drink **Or you can drive back into Brandon (approximately four miles to fast food with drive throughs)**

Prizes and Awards: Ribbons for qualifying rounds and placements earned will be available on a self serve basis in the hall. Titling rosettes will be presented.

Due to reduced numbers of trials and because of travel restrictions, and the need to use (the same) local judges, the title requirement for earning legs under two different judges is lifted.

AAC ID Cards:

All dogs competing in an AAC trial **MUST** have their cards with them at the trial! "Pending" entries will not be accepted. These cards are available from AAC at a cost of \$12.00 + GST per dog for AAC members; \$15.00 + GST per dog for all others. See AAC website www.aac.ca for applications for Dogs and for AAC Handler Membership.

Division Descriptions:

Regular Division:	This division is open to all dogs, 18 months of age or older, as described within the current AAC rules.
Specials Division:	This division shall be open to all dogs. Once a dog has entered an official trial in the specials class, it may no longer compete in the regular class unless the handler makes a special application entitled "Request for Official Move from Specials Class Level to Regular Class Level". This move may only be done <u>once</u> during a dog's career.
Veterans Division:	This division is for dogs seven years of age or older. This class is also open to dogs five years of age or older who have been competing in the specials class level for a minimum of twelve months.
Double Drop Veterans Category:	This category is for handlers who opt to have their dogs jump two heights lower than the Regular Category (when a lower jump height is available).
Junior Handler Category:	This category is for youths who are registered with the Junior Handler program and have been issued a Junior Handler ID number. Entries are made under the Junior Handler ID number, not the dog's ID number. Qualifying scores are recorded under the Junior Handler ID, and do not count towards titles for the dog.

NOTE: New Category:

Senior Handlers &

Handlers with Disability: Senior handlers (65 years and over) and handlers with disability may request a modified course time and a modified points requirement. Proof of age or disability is not required. Please indicate in the area on the entry form if you are entering as a Senior/Disabled handler **and also indicate your dog's entry category.**

Class Descriptions:

Standard Class:	This class demonstrates proficiency on all agility obstacles in a numbered course.
Gamblers Class:	This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the opening sequence and successfully complete the Gamble.
Snooker Class:	This game demonstrates the handler and dog's versatility as they work together against the clock. The object of the game is to accumulate as many points by successfully completing as many obstacles as possible in the prescribed order within time.

- Jumpers Class:** This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.
- Steeplechase:** This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Level.
- Team Relay:** This game demonstrates team spirit, strategy and sportsmanship. A relay team of two dog and handler teams will each run half of a Masters level Standard run. This is a single level class.
- Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.

General Notice to Exhibitors:

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of AAC rules and regulations, including but not limited to the following:

- This event is held under AAC rules and regulations and is open to all dogs being at least 18 months of age, purebred or mixed breed, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance.
- Obstacles shall be chosen from those described in the current edition of the rules and regulations of the AAC and shall conform to AAC specifications.
- All dogs must have an official AAC identification card, which must be produced at measure in. Any dog without a card, under two years of age, or without two official measurements on their ID card must be measured before competing. A dog over 23" at the withers can have a signed ID card before two years of age.
- Exhibitors must keep crate and exercise areas clean. Please pick up after yourself and your dog.
- The host club reserves the right to refuse any entry.
- After closing date, refunds will only be given to competitors if a bitch comes into season or the dog or handler is injured sufficiently to prevent them from competing. The trial secretary must be informed prior to the trial date and a certificate from a veterinarian or doctor must be provided.
- **All competitors must abide by the additional COVID-19 guidelines published in this premium list. A waiver form is included in this premium list. It must be signed and included with your entry.**
- Competitors whose dogs measure up may run For Exhibition Only (FEO) if the dog is not prepared to jump the higher heights. No qualifying scores or awards may be earned.
- **FEO Runs:** COKC accepts For Exhibition Only (FEO) runs. Dogs entering FEO runs must have a valid Dog ID Number and meet all other AAC eligibility criteria. An FEO dog is permitted to run at any jump height, in any class, at any performance level and in any category at the handler's discretion. A dog may not enter a class as FEO if it is also entered in the same class for qualification. In accordance with AAC rules, toys will be allowed in the ring during an FEO run. Toys may be of any general configuration, and must be in a good state of repair (no fur or stuffing coming loose). Handlers are permitted to interact with their dogs during a run by tugging with the toy. **Food, toys containing food, audible toys and audible training aids (e.g. clickers, whistles) are NOT permitted in the ring.** Please be considerate of the dogs competing on course before and after you as the toy may cause a distraction.
- Entry forms may be photocopied, but **MUST** include the entry form, waiver form, agreement and signature in their entirety. A separate entry is to be submitted for each dog.
- Entries and payment must be received by the closing date and are payable in Canadian Funds.
- By AAC rules, entries are not valid until full payment of entry fees has been made. Tendering of an NSF cheque in payment of entry fees shall be considered non-payment of entry. In addition, there will be a \$25.00 service charge for each returned cheque, regardless of whether the dog/handler compete in the event.
- All entries will be confirmed via email only where a valid address is supplied. If supplying an email address please ensure that it is valid and legible. If you don't have a valid email address and want your confirmation emailed, please ask a friend to receive it for you.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the club's discretion. Any dog and handler not present for their run when their name is called will be ineligible to run, unless prior arrangements are made with the gate steward.
- Except in FEO runs, no food, toys or any other aids or devices shall be permitted on the course at any time. Toys and food shall not be permitted within 10 feet of the ring. Please be considerate of competitors and refrain from using clickers or squeaky toys while a dog is in the ring.
- All dogs must be penned, crated or leashed when not in the ring, and may not be tied to any obstacle, permanent or temporary anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or engage in unsafe or disruptive behaviour may be asked to leave the trial site. There will be no refunds for entries if an exhibitor is dismissed from competition for any reason.
