	Name: Bitches in Season in COKC Classes
	Developed by: Executive
	Approved by: Executive
Amendment Date(s): September 20, 2023	

No bitches in season shall be allowed to attend any COKC classes, indoor or outdoor.

Students should be encouraged to attend classes **without their dog** when they have a bitch in season. This will allow students to continue to learn the material presented at class, and to pick up copies of any handouts distributed at the class.
